

Bert Easey

Technical Award

As 'the Society's award' it was first presented in 1951 and was renamed in 1976 in honour of Bert Easey, who was head of the Camera Department at Denham and Pinewood Studios and integral to the formation of the Society. This award is in the gift of the Board and only given to an individual or company who has contributed something outstanding in the way of endeavour or equipment.

- | | |
